First name: Megan

Last name: Litster

Organization:

Title:

Comments: Thanks for notifying the public about the possible TV show recording. I think this should not be permitted. It's way too short of notice. A TV show like that should have planned better & made a proposal in more reasonable time. They're asking to use land during peak hunting season important to the culture & subsistence use of the local people. Please deny the permit.

Sincerely,

Megan Litster
