Comments: Hey there! My name is Brandon Allison. I am an avid outdoorsman in the area in question. Not only do I personally hunt and fish in this area, but I also own Majestic Eagle Lodge, which is very close to Little Duncan Bay. I don't see this filming as being an issue at all. The only people I know in the area that hunt anywhere close to the filming area is a small group that hunts in Castle River area. They stay very close to the river system and don't branch out much. I know that the filming crew coming in is also a great boost to the local economy and they are very much welcome by most.

Thank you for your consideration.

Brandon
