Hi Bret,

My name is Kelli Slaven, I have been a resident of Petersburg, Alaska for 16 years. I am writing to you to express my support for a filming permit for the production happening in Little Duncan Bay. My reasons for my support are as follows:

- * The production is employing many local residents, such as myself, as well as supporting and buying from local vendors throughout Petersburg. These include hotels, caterers, restaurants, grocery stores, hardware stores, and more. The show's footprint will help extend many vendors' busy seasons by 2 months and will have a positive financial impact to the town.
- * The production is utilizing a sustainable "leave no trace" mentality not only in Little Duncan Bay where filming will take place, but also in town where the production offices will be located.
- * The production only plans to shed a positive light on the beauty and wildness of Alaska.
- * Production will do everything they can to minimally impact the regular hunting season in the Little Duncan Bay area.

Sincerely,

Kelli Slaven
