First name: Mercer

Last name: Deavours

Organization:

Title:

Comments: Hey my name is Mercer Deavours and I live in Petersburg. I've heard people will be filming in Duncan during hunting season. I just wanted to reach out and make sure people wouldn't be surprised when they are around a lot of people hunting. I plan on being that area a lot and I hope they know people will be hunting. Probably a bad time to film a show!
