Comments: Hello there, my name is Casey Bell. I was born and raised in Petersburg and have grown up hunting all the surrounding areas. I will try to keep this brief as I am sure you are receiving a lot of emails. I understand that this could have a positive economic impact on the people and businesses of Petersburg, however, I would still like to oppose it. Many people of Petersburg including my family and I rely on the Little Duncan area for deer hunting and other resources in the fall. Having a TV show crew camped out there as well as contestants using our resources would majorly affect our community as well as my family. I am also concerned that once we say yes to something like this now, it will be hard to say no to anything in the future that is similar. I appreciate your consideration.
