Comments: For those of us that live in the area it is important to be able to access and continue to enjoy areas without having to get a permit. Why do we need to suffer due to an influx of those coming from out of state and other areas. I propose you allow those living in the area (Ridgway, Montrose, Ouray...) to be able to visit without the need of a permit. Please don't limit our ability to enjoy the outdoors, for it is one of the reasons a lot of us love where we live.
