Comments: I would like to express my opposition to a permit system for any and all trails and areas mentioned in the proposition. Public land are not meant to be reserved for anyone. We are already taxed for our public lands, we should should not be charged again to us something we have already paid for. We also shouldn't be limited to use the public lands we pay for. I have lived in CO my entire life and I am tired of seeing my favorite spots become restricted, it has to end. Permit systems keep people from using the public lands we love and cherish.
