Comments: I would like to see more groomed cross country ski trails in the meadow area around Snowcreek and in the Shady rest area that are separate from and do not allow snow mobiles. There is plenty of land for them to use but a separate use area would be greatly appreciated. The noise is horrible and the smells lasts. Sometimes snow mobiles slow down and that is much appreciated. When they don't they scare our dogs and our persons. Nobody seems to happy in this multi use situation.
