Comments: I chose to live in Ridgway for the access to the National Forest including Blue Lakes & Sneffels areas. Myself and some of my friends use this trail as a training place or I just go to enjoy the beauty the area has to offer. I oppose to the permit system for locals. I don't want to have to ask for a permit to go in my back yard. I am not opposed to a permit system for overnight use because I have seen the impact of having too many campers up at the first lake.
