Comments: I appreciate the awareness of overuse in this area and the effort to limit it. I would ask for specific attention to the unintended effects of this proposal. More specifically, I would ask for focused attention on how limiting access to this area may increase usage in other overused and popular areas nearby, such as Camp Bird Rd. and Yankee Boy Basin. Addressing the Blue Lakes area without a plan for enforcing the current overuse (ATVs, off-roading) and illegal use (camping outside of designated campsites) on Camp Bird Rd. would be irresponsible and poor sighted.
