Comments: I have been riding the trails in the valley, mostly the west bank for 25 years. Allowing ebikes on the multi-use single tracks will bring conflict, crashes and is a bad idea. I do not oppose ebikes on the Old pass road, though with a speed limit and I don not oppose on gravel roads, I do on single track. I know plenty of electric mountian bikers who agree. WE have WAY too many users to add ebikes on these trails. Thank you
