First name: Thomas

Last name: Markovits

Organization:

Title:

Comments: E Bikes on Teton Pass and Old Pass Road should not be allowed.

greater congestion at trailhead and on trails,

Negative impacts to wildlife,

More accidents,

A lack of enforcement to regulate the type of e-bikes used,

More user conflicts, with the impacts of e-bikes primarily on non-motorized backcountry travelers, and

Negative implications an e-bikes decision on future modes of winter backcountry travel.

Thank you

Thomas Markovits
