Comments: I am in favor of allowing Class 1 e-bikes on all trails open to mountain bikes. I am a 62 yr old female and mountain bike frequently. I don't currently own an e-bike but suspect I will sometime in the near future. My husband rides an e-bike periodically. We don't ride fast. I have no reason to believe e-bikes pose any more significant issues than regular mountain bikes. We ride regularly on the trails at various state parks, and the 100s of mile of trails in NW AR where e-bikes are allowed. I am not aware of any issues.
