First name: Susan

Last name: Babbitt

Organization:

Title:

Comments: To comply with the Wilderness Act, The Forest Service should exclude all of the designated Wildernesses from its proposed burning plans for the Sequoia and Sierra National Forests. We must protect iconic spotd like Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses.

Instead, natural, lightning-caused fire should play its ecological role in Wilderness on the Sequoia and Sierra National Forests.
