Comments: I am vehemently opposed to The Forest Service proposal to burn should any of the designated Wildernesses in its proposed burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act. These are some of America's most beloved Wilderness areas whose health and beauty are at stake, including the Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses.

The agency should instead allow natural, lightning-caused fire to play its ecological role in Wilderness on the Sequoia and Sierra National Forests.

Thank you for your consideration.
