First name: Gordon

Last name: Parker III

Organization:

Title:

Comments: *The Forest Service must exclude all of the designated Wildernesses from its proposed burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act. Some of America's most loved Wilderness areas are at stake, including the Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses.

*The agency must instead allow natural, lightning-caused fire to perform its ecological role in Wilderness on the Sequoia and Sierra National Forests.
