Title:

Comments: Please exclude all of the designated Wildernesses from the proposed burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act. Some of America's most loved Wilderness areas are at stake, including the Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses.

Exclude the designated Wilderness areas from this extensive burning and habitat manipulation project and allow natural, lightning-caused fire to play its ecological role in Wilderness on the Sequoia and Sierra National Forests. This strategy is more in keeping with the wilderness designation of these areas.
