Title:

Comments: In order to comply with the Wilderness Act, please exclude the designated Wildernesses from the proposed burning plans for the Sequoia and Sierra National Forests. Some key Wilderness areas are at stake, including the Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses. Instead allow natural, lightning-caused fire to play its ecological role in Wilderness on the Sequoia and Sierra National Forests. Use control, planned burning only if & when necessary to lower the risk of catastrophic burning later.
