Comments:

Please comply with the Wilderness act and exclude all of the designated Wildernesses from your proposed burning plans for the Sequioia and Sierra National Forests.

Here are the wilderness areas most at stake: Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes and Golden Trout.

The prescribed fire project #65081 is not a good idea. It is better that the agency should instead allow natural lightning strike caused fires to play the ecological role in the wilderness of Sequioia and Sierra National Forests.

Thank you.

Respectfully yours,
Gerald Hallead
