First name: Doris

Last name: Potter

Organization:

Title:

Comments: All of the designated Wildernesses should be excluded from the Forest Service's proposed burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act.

These areas are at stake: Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses.

Natural, lightning-caused fire should be allowed to play its ecological role in Wilderness on the Sequoia and Sierra National Forests.
