Title:

Comments: All of the designated Wildernesses should be excluded from the proposed burning plans for the Sequoia and Sierra National Forests in order to comply with the Wilderness Act. Some of America's most loved Wilderness areas are at stake, including the Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses.

Instead, natural, lightning-caused fire should fulfill its ecological role in Wilderness on the Sequoia and Sierra National Forests.
