If this Forest Service proposal were to be approved, it would torch 2,400,000 acres in the Sequoia and Sierra National Forests; THIS WOULD INCLUDE TORCHING ALL WILDERNESS-DESIGNATED AREAS IN BOTH SEQUOIA AND SIERRA NATIONAL FOREST - 842,448 ACRES OF WILDERNESS ALTOGETHER, WOULD BE SUBJECTED TO THIS MONSTROUS PROPOSED BURN...

...WHETHER THAT WOULD BE A CONTROLLED-BURN, OR OUT-OF-CONTROL-INCINERATOR IS SUBJECT TO SPECULATION, BUT ALREADY DRIPPING IN HUMAN HUBRIS (come on really, Forest Service, what could possibly go wrong???)

NO! THE FOREST SERVICE MUST SPARE ALL DESIGNATED WILDERNESS FROM THIS EXTENSIVE BURNING & HABITAT-MANIPULATION! Because The Means & The End product are exactly the same

W I L D E R N E S S   R E S U L T S   A R E   T H E   W I L D E R N E S S   W A Y !

Some of America's & California's most beloved Wilderness areas in this insane proposal include the Ansel Adams Wilderness, Dinkey Lakes Wilderness, Dome Land Wilderness, Golden Trout Wilderness, Jennie Lakes Wilderness, Kaiser Wilderness, Kiavah Wilderness, Monarch Wilderness, John Muir Wilderness, & South Sierra Wilderness. These crown jewels of the National Wilderness Preservation System must be spared from misguided Forest Service cutting & burning plans such as this- AS IF THE FOREST SERVICE REGARDS THEM AS NOTHING SPECIAL = ANY OLE' PUBLIC LAND, & IN THE END, NOT WILDERNESS AT ALL?

THIS WOULD SET THE WORST PRECEDENT POSSIBLE; NOTHING COULD BE WORSE TO PAVE THE WAY FOR UNIMAGINEABLE IMPACT, FUTURE INTERVENTION, & SOON UNLIMITLESS EXPLOITATION = A MOCKERY OF A "WILDNESS" & "WILDERNESS"!

Not saying to ignore fire, which plays an invaluable ecological role in Wildernesses. But this latest Forest Service's proposal is no less than an ILLEGAL ACT in Wilderness THAT IS 100% INCONSISTENT WITH THE LETTER- & THE SPIRIT- OF THE LAW THAT DEFINES WILDERNESS: THE 1964 WILDERNESS ACT! FROM THE WILDERNESS' PERSPECTIVE, THERE IS NO CHOICE; ONLY TO LET LIGHTNING-SPARKED FIRE START & PLAY ITSELF OUT. INSTEAD, YOU PROPOSE A PLANNED INVASION OF WILDERNESS: CUT "UNDESIRABLE" TREES, THEN BURN FORESTS BASED ON HUMAN DESIGNS & DESIRES... THAT'S NO LESS THAN ARSON!
