First name: Lucy

Last name: Clark

Organization:

Title:

Comments: I am writing as a resident who lives 45 minutes below the Sequoia NF. This is MY forest, through which I backpacked for 35 years and wild-flowered for many more.

I request that the USFS follow the rules set forth in the Wilderness Act, and let it be! No equipment, no fires, no nothing, but letting it heal by itself. That is the law, and I request that it not be broken.

Sincerely,

Lucy Clark, member of

Kern CNPS

Kern Audubon

Kern- Kaweah Sierra Club
