First name: Gerald

Last name: Terwilliger

Organization:

Title:

Comments: Please, please, honor the intent of the 1964 Wilderness Act. Humans are not to intervene in the wilderness. That means not intentionally burning forests in the wilderness. The wilderness will take care of itself and does not need us to interfere. I have spent many days wandering various wilderness areas being careful to not leave an imprint. I hope my children and grandchildren will get to have the same experiences.
