Title:

Comments: The Forest Service should remember to abide by the Wilderness Act. Please exclude all of the designated Wildernesses from its proposed burning plans for the Sequoia and Sierra National Forests in order to stay in compliance. Some of America's most loved and my cherished Wilderness areas are at stake, including the Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses.

The agency should instead allow natural, lightning-caused fire to play its ecological role in Wilderness on the Sequoia and Sierra National Forests.
