Comments: I am writing to convey my opinion that in order to comply with the Wilderness Act, the Forest Service should exclude all of the designated Wildernesses from its proposed burning plans for the Sequoia and Sierra National Forests. These beloved Wilderness areas are at stake, including the Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses.?

I believe the Forest Service should instead allow natural fires to occur, such as lightning-caused fire to play the ecological role in Wilderness on the Sequoia and Sierra National Forests.
