First name: Tamah

Last name: Lettieri

Organization:

Title:

Comments: The Forest Service must exclude all of the designated Wildernesses from its proposed burning plans for the Sequoia and Sierra National Forests in compliance with the Wilderness Act. Some of our most beloved Wilderness areas are at stake, including the Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses.

The agency must allow natural, lightning-caused fire to play its ecological role in Wilderness on the Sequoia and Sierra National Forests.
