Comments: As a California resident and taxpayer I enter my comments as follows:

The Forest Service should Exclude ALL of the designated Wildernesses from its proposed burn plans for the Sequoia and Sierra National Forests in order to Comply with the Wilderness Act.

Note, that some of Our Country's most BeLoved Wilderness areas are at stake, Including the Ansel Adams, Dinkey Lakes, John Muir, Kaiser, Kiavah, Monarch, South Sierra, Dome Land, Jennie Lakes, and Golden Trout Wildernesses.

The agency should instead ALLOW natural, lightning-caused fire to play its ecological role in Wilderness on the Sequoia and Sierra National Forests.

That is what makes sense. NO Burning!! That is a environmental nightmare for ALL of Us.
