

Data Submitted (UTC 11): 11/28/2023 9:53:56 PM

First name: Ryan

Last name: Blumer

Organization:

Title:

Comments: Climbing anchors should not be categorized as installations, this lumps them in with the likes of roads and buildings. Since rock climbing is a permitted use in wilderness areas, this categorization will endanger future climbers if established routes are not able to be replaced in kind, or if future routes are established and are unable to be protected adequately.
