Comments: Dear Ms. Retzlaff,

I have reviewed your draft Environmental Assessment and Finding of No Significant Impact. I truly appreciate the effort you and others on your team have done to fully analyze this land withdrawal.

I am in full support of this project and see no issues that negatively affects the human environment. If I had a complaint, it would be that the area of analysis could be further expanded to encompass additional area.

Again, thank you for your work and honest assessment of this withdrawal project.

Sincerely,
