Comments: Hello,

My name is Jacob Shipley and I would like to state my support of the Thompson Divide Withdrawal. As somebody who grew up just south of the Adirondacks, a mountain area that used to be significantly mined and logged, I know how important protections are. Because of significant work done to preserve the Adirondacks, we now have an incredible protected area to enjoy and take care of nature. I am uplifted to hear of more and more similar projects coming to be. I absolutely support this withdrawal of land from mining and oil drilling leases.

Thank you,

Jacob Shipley
