First name: Annie

Last name: Uyehara

Organization:

Title:

Comments: The Thompson Divide should be forever void of oil and gas drilling. No future permits to drill, no present permits allowed to go forward to drill. All current wells should be cleaned and capped. Thompson Divide is precious and beautiful land for agriculture, forestry, wildlife, and recreation. Oil and gas industry is short-lived, but preservation will be forever.

I am for The Thompson Divide Withdrawal and Protection Act that protects the Thompson Divide.
