Comments: I am an avid outdoorsman. I hunt, hike, climb, bike, backpack, and bird watch in our forests. I've been doing so for 35 years and will continue until I no longer can do so. I am very OPPOSED to allowing anyone to deface our sacred, in-touched remaining wild places (ie: Wilderness Areas). We as humans have already intruded upon and left our marks these places. Keep Wilderness for the Wild- our wild relatives (animals, birds, fish, flora). Please do not allow people to install man-made gear into any of our wilderness designated spaces.
