Comments: I am a current resident at Turkey Rock Ranch Estates. I have already seen and heard illegal shooting within our subdivision and within the current legal proximity limits to a subdivision. I would be MOST favorable to Alternative 2, as I would feel safer if these proposed closures were in place. I am VERY AGAINST Alternative 3, as I feel this would allow unsafe and higher risk conditions regarding shooting in our area. If everything is left the same with the current/proposed shooting ranges, I would hope to receive continued and additional Sheriff and Deputy patrols in our areas to ensure safety of residents in subdivisions. Thank you.
