Comments: I'm an avid climber and I want to ensure that the safe and responsible use of fixed anchors in Wilderness/national forests remains available to the climbing community. I respect and advocate for the responsible use of Wilderness areas and believe that fixed anchors can be a component of a sustainable Wilderness experience. Please revise your climbing guidance to reflect the practice and precedent of the last 60+ years-that fixed anchors for climbing can be used, replaced, and maintained in designated Wilderness/national forest areas.
