First name: Bryan

Last name: Kolasinski

Organization:

Title:

Comments: My household would prefer no action, action. There are many hikers, bikers, and horseback riding that are in danger with the careless shooting. We live quite close to Mt. Herman road and there's already illegal shooting, dumping, squatting, and camp fires (to name a few). We also are concerned with the real lack of enforcement in Pike National Forest. To conclude, my household votes no action.

Bryan Kolasinski
