Comments: The United States Forest Service MUST take action to manage recreational shooting in the Pike National Forest. I am for establishing a gun range at Wilkerson Pass on NFSR 704. I AM OPPOSED TO ANY OTHER RANGES IN THE BADGER FLATS RECREATION AREA, Lake George, or Tarryall area.

I live adjacent to the Badger Flats Recreation Area. This area is highly pressured with ATVs and dispersed camping as well as recreational shooting. During the summer of 2023, we had 2 tractor windows broke out as well as our fuel tank hose hit by stray recreational bullets.

The Badger Flats Recreation area is not a wilderness. It is a residential and farming area occupied by full time residents. You must manage the shooting to reduce damage to our homes, minimize conflict with all the tourists and keep the tax paying citizens of Park County safe in their own homes.
