

Data Submitted (UTC 11): 1/4/2024 9:30:00 PM

First name: Ciche

Last name: Pitcher

Organization: Discovery Ski Corp

Title: President

Comments: Discovery is in support of these projects. There is an increasing demand for nordic trails as well as additional summer trails in the Georgetown Lake Area. The existing roads and parking lots make the addition of new trails in these areas a low impact way to grow capacity and provide additional access to public lands for our community.
