Comments: I am writing concerning the Nez Perce-Clearwater Final Environmental Impact Statement and Draft Final Forest Plan #44089. I did not previously comment on the forest plan but I am compelled to comment now after hearing the alternatives proposed management of the Hoodoo Roadless Area. I am letting you know I am objecting to this part of the plan. I have traveled in this area and have helped with trailwork and I feel this area needs to be managed as recommended Wilderness and motorized recreation should not be allowed.

Thank you for your time,
