Comments: My name is Aiden Perchinelli I'm 13 years old and I love to climb. I love going out side to climb on Mount Lemmon. I have taken a lot of friends to mount lemon to climb and it's always a blast. I love to clime some of the most popular routs and a lot of the time they need maintenance because they're used so much. I don't think it's fair that the people can't fix the climbs that need to be fixed to still be used and it's definitely not fair to not allow the people to make new climbs. Climbing is apart our a lot of communities and your taking climbing away from those communities
