Comments: As residents of Westcreek we are strongly opposed to any expansion of the Turkey Tracks shooting range. Way too many people live near this range and are already forced to listen to gunfire all day long. You do not have the manpower to police the ranges or the funding to properly maintain them. What is the earliest date the Turkey Tracks range could be developed? We need to know so we can plan to sell our house. Additional gunfire would be unbearable. I hope the need for "recreation" is worth displacing people from their homes. Please respond with the soonest date we can expect the development.

Thank you
