Comments: [TEXT OF A LETTER TO ANOTHER COMMENTOR THE FOREST SERVICE WAS COPIED ON]

Hi Vivian;

Why WHYWHY DO we have to have YET ANOTHER SIGN Now in Westcreek guiding people to get to TURKEY ROCK !! ! ???????

Who is deciding all this signage is necessary? Who is doing it ? Who is putting it up?

WHO Is STUPID ENOUGH to even need SIGNS instead of just being capable of following basic simple directions to get here ? ! Turkey Rock is only 5 miles in from hwy 67.

I HAD YET ANOTHER SECURITY ISSUE HERE, this was maybe issue # 3 or 4 in the last year or so, This time GUN SHOTS AT MY FRONT DOOR ON FRIDAY DEC 15th, 2023 by the dark of the moon, at 8:30 PM.....!!!!!!!!!!!!!!!!!!!!!! WE DON'T NEED SIGNS BRINGING MORE STRANGE PEOPLE HERE !!!!!

I'm on the front lines here.

This area has been here since the 1960's with just ONE sign that worked just fine for at least the last 10 years, Now past few years we have to have MULTIPLE NEW SIGNS POPPING UP EVERYWHERE. IT'S STUPID FOR OBVIOUSLY STUPID PEOPLE !

The Turkey Rock Board never had the common decent courtesy to respond to my letter to them last May re some of this... What is wrong with these people?????

I demand these signs be taken down !!! For the safety and security of the Entire Neighborhood. THEY ARE TOTALLY UNNECESSARY !

Perhaps you know these answers Vivian, and can help me with this...
