Title:

Comments: Hi, I am writing in support with the American Alpine Club to stop the prohibition on fixed anchors in the wilderness. As a rock climber, we rely on all sort of gear to help us achieve our goals. I am a local climber at the New River Gorge in West Virginia and I could not imagine if any of those routes got their bolts taken away. Please consider their demands. Mountaineering and rock climbing are so important to so many people. Thank you.
