Comments: I have lived in Spearfish for 25 years and am an avid user of Spearfish Canyon and Tinton Road.

Feel like the impacts could greatly devastate recreational use and water for spearfis, things that we can never restore will be destroyed. I've spent a lot of my life developing climbing in Spearfish Canyon, and would hate to see all the beauty and hard work get destroyed for the mining of gold. Future generations should also be able to enjoy the beauty of the Black Hills and it's natural environments.
