

Data Submitted (UTC 11): 1/17/2024 7:27:07 PM

First name: Sierra

Last name: Bergsgaard

Organization:

Title:

Comments: Please do not remove or prohibit the use of fixed gear and anchors for climbing in the national forrest, these are an essential safety tool for climbing. They do not damage the rock or effect the look for the average viewer but are life savers for climbers, please let us continue to enjoy the wilderness safely.
