First name: Donald

Last name: Williams

Organization:

Title:

Comments: I have recreated for 50 years in the great NW. It is our area that we pay taxes to enjoy.

It would not be fair to cut the 4_wheel drive community out of the planning the local USFS

Our presents in these areas can give heads up for potential issues in these areas ie. forest fires.

As well as family camping.

Thank you for hearing the 4x4 community.

Donald Williams
