Comments: Agencies have no duty to develop Wilderness to provide "opportunities for primitive recreation."
Wilderness, by its very existence, provides these opportunities-the agencies need only to protect the Wilderness according to the provisions of the Wilderness Act to safeguard the opportunity.

Without a habitable planet to live on, breathable air, forests, drinkable water, food and the SUPPORTING COHABITATING SPECIES we need to grow that food -then money, judicial reform, human rights, poverty, healthcare, taxes, education, freedom - NOTHING WILL MATTER.
