Comments: Off-Road Recreation needs to be included in this plan.

As an active hiker, camper, and ORV enthusiasts it is important that we provide spaces to for all user groups to recreate. Provide designated ORV space is need to build trail systems that minimize environmental impacts and provide legal areas for Recreation.

Off-road vehicle recreation stands out as a transformative outdoor activity that not only benefits a wide range of enthusiasts but also significantly enhances accessibility for individuals with mobile disabilities. By embracing adaptive technology, improving trail infrastructure, and fostering inclusivity, public lands can continue to provide a platform for diverse communities to connect with nature and enjoy the many benefits of off-road exploration.
