Comments: Sir:

We have owned our property in spearfish canyon since 1962! We are located at Savoy. To have drilling on the rim of the canyon just disturbed the canyon walls, and contamination of water resources. There is already a huge scar and active mining up at Annie creek area! To mine/drill close to the rim should be prohibited. Who does this benefit?? Forest service?

Please, No drilling or mining in spearfish canyon!

Thank you,

Norma Cody
