First name: Casey

Last name: Bokavich

Organization: Redding Dirt Riders

Title: President

Comments: Too many public lands have been closed preventing citizens from enjoying their land. Rarely if ever are public lands opened for public use. This trend needs to stop. I am the president of an off road club representing over 100 outdoor enthusiasts who regularly use public land for recreation. Please keep all effected areas open and add additional lands for use.

Thank you,
Casey Bokavich
